INDEPENDENT AUDITORS' LIMITED REVIEW REPORT ON THE UNAUDITED STANDALONE FINANCIAL RESULTS FOR THE QUARTER AND HALF YEAR ENDED 30 SEPTEMBER, 2019

To, The Board of Directors, Transcorp International Limited, New Delhi-110075

- 1. We have reviewed the accompanying statement of Unaudited Standalone Financial Results of Transcorp International Limited ("Company") for the quarter and half year ended September 30, 2019 ("Statement") prepared by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("the Regulations").
- 2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial Statements based on our review.
- 3. We have conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results read with notes thereon, prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognised accounting practices and policies thereon, has not disclosed the information required to be disclosed in terms of the Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- There is absolute convenience of loading and reloading of the desired amount as and when required for usage.
- The card can be used at all merchant establishments and utility service providers where swipe machines are present. It can also be used online.
- The company has entered into an agreement with fintech company Social Worth Technologies Private Limited (having a brand name EarlySalary) for issuing Pre-Paid Cards to its customers.

Jaipur, 14th November 2019: Leading forex and payment solutions provider Transcorp International Ltd, a BSE-listed company, today announced the launch of a Multi-Wallet Pre Paid card that can be used for transactions in stores and online across the country and can also be used by organizations to disburse wages and salaries to even those employees who do not have a bank account. Transcorp has leveraged its Pre-Paid Instrument (PPI) license to operate this program which is the same license held by the leading mobile-wallet operators in India. Over the next few months, Transcorp will roll out its own mobile wallet – Transcash.

In line with the Government's initiatives of Less-Cash India, as well as consumer demand Transcorp has launched Multi-Wallet Prepaid cards which could become a game changer in government's efforts to reduce cash and provide a boost to digital economy. The card is being launched in association with RUPAY – India's very own switch powered by NPCI. Transcorp is

the first Non-Bank PPI issuer in India who has issued the Multi-Wallet Pre-Paid Card under its own BIN.

The card can be prefunded or money can be loaded in the card by the employer or by the card holder himself. The maximum amount that can be loaded is Rs 10,000 in case of non KYC (Know Your Customer) compliant card and Rs 1,00,000 in case of KYC compliant card. There is no minimum limit.

"These cards can replace cash payment for all value transactions up to Rs. 1,00,000. Being very convenient, this card gives the card holder freedom to use it wherever and whenever needed, including on the Internet. The Card Holder can limit or control the balance in the card and conveniently use for all his payment needs. The corporate, institutions, other organizations who need to disburse various recurring payments like wages, salaries, incentives and such other recurring payments to their employees or beneficiaries can seamlessly do so, with ease," said Mr. Amitava Ghosh, Chief Executive Officer, Transcorp International Ltd.

These cards are highly customizable and with the approval of Reserve Bank of India can be cobranded with an organization's logo as well as restrict certain merchant categories as per the client organization's requirements.

The card reduces the risk against fraud in usage at shops and internet as customer can restrict the amount loaded in the card and one's bank account is not exposed. Prepaid Cards are the next significant trend in consumer payments and the prepaid card market is growing rapidly in India.

"This card is useful for unbanked and under banked consumers as no bank account is required for using this pre-paid card. Cardholders can track and control their spending as a budget tool and monitor expenditure. This makes it easier for the accounting department to manage expenses by not having to check every individual bill; and eliminate cash as a medium of paying for company expenditures. The reimbursement can be done post a payment is made or the money can be loaded before hand if the employee requires an advance" said Mr. Ayan Agarwal, Vice President-Payment Systems, Transcorp International Ltd.

The card will be available in all the 23 branches of the company spread all over the country. Transcorp was in the business of inward remittance for over 20 years and had served more than 1.75 Crores (17.50 million) customers in last 12 years and is having its registered office in New Delhi.
